Dear Librarian,

Could you please send me the following references ? Thank you in advance.

- 1) Journal: The Journal of Biochemistry (Tokyo) 1992.  
Authors: Sakakibara, R., et.al.  
Vol. 111, pages 325-330 , 1992
- 2) Journal: Chem Pharm Bull (Tokyo). 1991 Jan;39(1):146-9.  
A putative mouse oocyte maturation inhibitory protein from urine of pregnant women: N-terminal sequence homology with human nonsecretory ribonuclease.  
Auther: Sakakibara R, Hashida K, Tominaga N, Sakai K, Ishiguro M, Imamura S, Ohmatsu F, Sato E.  
Department of Biochemistry, School of Pharmaceutical Sciences, Nagasaki University, Japan.

3rd floor, room 3D69, Remesen.

Gebreyesus Kagnew,  
Box---Gebreyesus Kagnew

Thank you.
